

### **Referral Scheme – Terms & Conditions**

If you refer a client to us, upon successfully using our services and agreeing to a monthly Direct Debit plan, we will then pay you the equivalent of one month's fee (minus Vat).

If the client takes an annual service, we will pay you 1/12 of the fee. So essentially the same as what one month's direct debit would be.

The referral fee will only be paid once we have received the first direct debit paid.

We will pay the referral fee direct to your account.

**Adroit Accounttax Ltd reserves the right to change or cancel this scheme at any given time.**
